

## Volunteer in 2012

Since the Club has moved to the Keepmoat Stadium it has continued to grow and become more successful each year.

With this growth and success comes the need for volunteers and in 2012 we are going to need more help than ever.

The Club hosts a large number of events both at the track and throughout Doncaster. Events include the August Open Meeting, Town Centre 5km road race, The Cusworth and Sandall Beat 10km races, league meetings and x country races (to name but a few).

If you think you could help at any of these events (even if just for a few hours) we would like to hear from you. A few of the tasks would include Marshalling at road races, setting up equipment at the track, handing out water and medals to runners, recording results, helping in the tuck shop, raking the sand pit and many more.

If you would like to get involved or want more information please fill out the slip below and return to the reception desk or contact one of the directors.
